

GUIDE TO ANNUAL MEMBERSHIP FEES

The 7ConNetwork welcomes expert freight forwarding agents all across the globe and our fees are therefore structured to reflect the different markets and their attributes.

Market Classification

7ConNetwork has broken down the annual fee pricing into 3 markets classified as: large, medium and small.

These classifications are based on volumes according to the port location of the member's headquarters.

Large markets are among the Top 50 air and ocean ports by volume in the world. Medium markets are those which are not included in the Top 50. Finally small markets are inland destinations that do not have such substantial volumes.

Annual Fee Breakdown

Large Markets:	2.500 Euro
Medium Markets:	2.000 Euro
Small Markets:	1.500 Euro
Additional Branch:	500 Euro

Additional Branches

Members can include their branch offices in the same country as their head office membership for only Euro 500,- per branch, per year.

Payment Terms

Invoices are issued immediately upon approval and confirmed acceptance of joining the network. There are 2 payment arrangements possible:

- A yearly payment of the stated fee for your determined market
- 12 monthly payments totaling the yearly fee for your determined market with an additional 20% service charge
